

Weekly Project SCRUM Report
Date: 24th Feb 2023
Project Name: Gun Violence - SP23
Team: 3
Team Members: Sarah Bonna (Team Lead) Brian Mahabir Shivangi Showndarya Madhavan
Tasks Completed This Week: <ul style="list-style-type: none">- Started exploring the datasets- Attended weekly team meeting with PM (Jacqueline)- Picked a question to answer<ul style="list-style-type: none">- We picked question 2: Figure out rate of gun violence in D4- Starting with the initial exploratory data analysis of the shapefile dataset.- Created a Google Colab notebook in team folder (Google Drive)
Plans for Next Week: <ul style="list-style-type: none">- Explore what work is needed to answer the question- Create data visualization based on gun violence datasets (CSV files)<ul style="list-style-type: none">- Split up work between teammates if necessary- Plan out and work on the subset of visuals targeted for deliverable 1
Obstacles and Questions: <ul style="list-style-type: none">- Understanding the datasets without metadata- Exploring the vast amounts of data will take some time.- Putting together the various datasets to make sense of the situation in general will be an obstacle, as we need to find a common ground to correlate these datasets.- Figuring out how to apply a model to the data (ongoing question for future deliverables)
Met with the client recently? When is the next meeting with the client?: <ul style="list-style-type: none">- Next meeting with the client is on 2nd March 2023.
